Thumb

Slip stitches from holder onto 3 double
pointed needles. Pick up 1 stitch.

Knit for 3". (Knit 2 together, knit 1), repeat
around.

Knit 1 row.

(Knit 2 together) repeat across row.

Cut yarn and thread through stitches, pull
tight and secure.

Weave in all ends.

Felt together so they are the same size.

Place mittens in a pillowcase and secure top
closed. Wash in washing machine in hot
water on longest setting. Before washer
drains, check mittens and reset washer if
necessary to continue felting.

When felted to your satisfaction, set washing
machine to final drain and spin.

Remove from pillowcase and lay flat to dry.

Optional Lining:

Materials: 1/2 yard of fleece fabric.

Lay mitten on a piece of paper. Draw the
outline of the mitten onto the paper,
extending the cuff of the pattern longer by at
least 1". Cut out. Cut 4 mitten shapes out of
the fleece. Sew either by hand or machine
around outside edge of fleece mittens, only
taking a 1/4" seam allowance. Leave the
bottom open.

Insert lining into mitten.

Finish bottom by turning edge under and
stitching in place.
